You inspire everyone around you! Even an article on you (Early Riser) inspires many outsiders like my daughter who is in 7th grade. You made awesome history for yourself in surgery, and it is inevitable that this ending is the begging of a new endeavor that directly benefits patients.

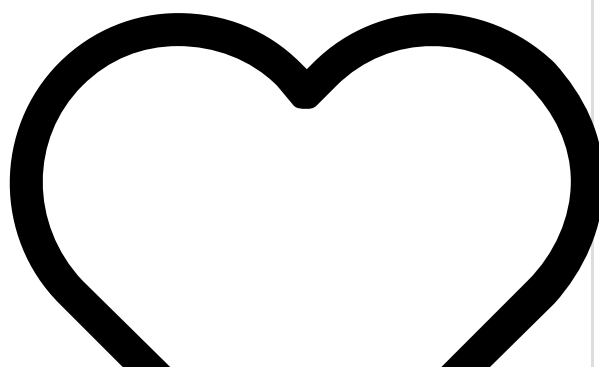

Dr. Rajalingam Raja

2 hours ago

Thank you Dr. Ascher for your unrelenting support of scientific research. Your dedication to innovation has led to numerous successful research programs within the Department of Surgery that will continue to benefit UCSF and its trainees well into the future.

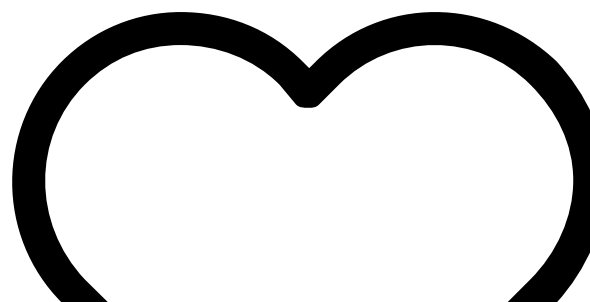

Dr. Robert Raffai

Dear Nancy: I have benefited from your leadership in the Department - and admire your strength and vision - you will be missed - valerie

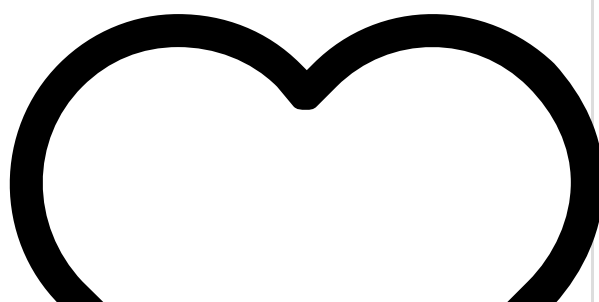

Dr. Valerie Weaver

23 days ago

I am so glad that this is not goodbye but welcome back! I wish I would help celebrate everything that you have done for us all and all that you have achieved.

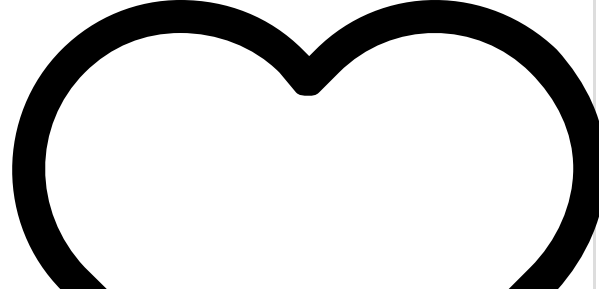

Sandy Feng, MD

23 days ago

Congratulations Dr. Ascher - to an awesome leader, doctor and person. You have set the bar to a level that will not be reached again. Stan.

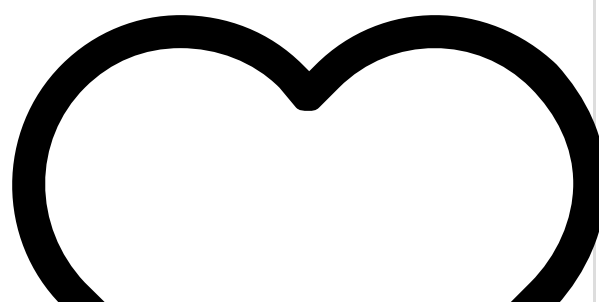

Dr. Stan Rogers

22 days ago

Thank you so much for all your support!

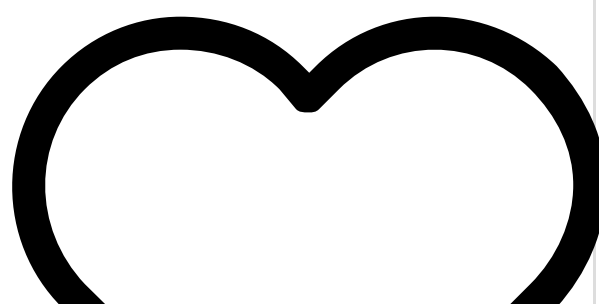

Tobias Deuse, MD

23 days ago

You pushed us all to be better, for the benefit of our patients and our trainees. Thanks for all you've done for UCSF.

Robert M. Wachter, MD and Ms. Katie Hafner

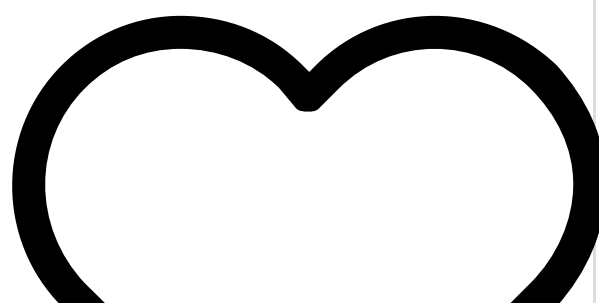

23 days ago

Congratulations Nancy. I appreciate your leadership.

Congrats on everything you have done for the Department of Surgery - we are totally psyched to

Congratulations Nancy! I will miss working with you as a great leader and partner.

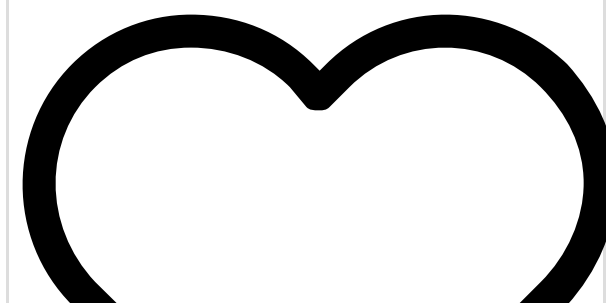

Dr. Peter E. Sokolove

23 days ago

Thank you for supporting the department's basic scientists in developing the foundation for new therapies.

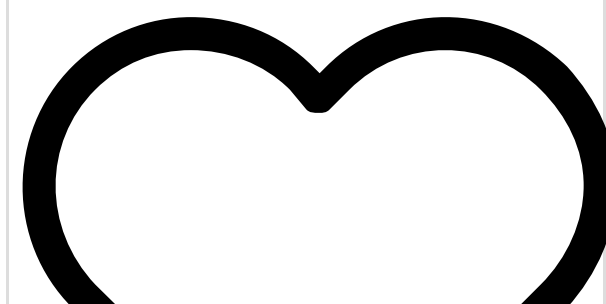

Dr. Holger Willenbring

23 days ago

Thank you for the great support of surgical education. The interest in the area has bloomed with your help.

Patricia S. O'Sullivan, EdD and John Robins

24 days ago

What a joy and privilege it was to work for you. Congratulations.

Martha

Martha Brigham

Dr. Ascher  
Congratulations!  
Thank you so much  
for taking a chance  
on me, my second  
opportunity at life  
has been  
incredible. Best  
wishes Rod Keck  
Mr. Rodney G. Keck

I will be thinking of  
you (while in  
Mexico City alas)  
for being truly  
fearless, tireless  
and a real-life  
badass icon. Plus  
you're fun and  
stylish to boot!

Ms. Margaret Martin

have you join us in  
the East Wing as  
we are tired of  
sharing you with the  
whole  
department.....there  
is still more we  
need to learn from  
you. We will try to  
behave and Hirose  
has already  
cleaned his office.

Peter Stock, MD, PhD

24 days ago

Thank you for being  
a courageous,  
thoughtful and  
immensely  
competent  
professional and a  
great pioneer role  
model for women!  
Happy to get a  
chance to celebrate  
you! Catherine  
Parrish

Catherine Parrish

24 days ago

Congratulations on  
your incredibly  
successful tenure!  
Steven Hays, MD

24 days ago

Thank you for being  
an inspiration.  
Dr. Neil Cambronero
